

B'nai Jeshurun Mens Club 2012-13 Pro Football Pool Fundraiser

How to get into the pool:

1. Enter the pool by submitting \$50.00 per entry for members and \$60 for non-members. Enter as often as you wish. Each \$50/\$60 entitles you to a weekly selection.
2. Make checks payable to *B'nai Jeshurun Mens Club* or arrange payment through the synagogue office. Payment and your first winning team selection must be received by Friday at noon (no exceptions) before the first NFL Game Sunday, this year's deadline is Noon, Friday, September 7th.

How to play:

1. Select one regular season Sunday game per week, per entry (Monday and Thursday games are NOT eligible for play).
2. Select your choice for a winning team for the first Sunday of the season.
3. If your team doesn't win, we thank you for your donation. (The only exception is that you may buy back in for an additional \$35 if your team doesn't win in Week 1 of the season! You just have to get the check into the Mens Club mailbox at the synagogue by Friday noon and your Week 2 selection emailed as well.)
4. If your team does win, you move on and select a winning team for the next Sunday.
5. You **MUST** select a **NEW** team each week. Selecting a team that wins eliminates you from selecting that team at any point during the season again.
6. Each week it's the same pattern. Obviously you want to stay in the pool by selecting a team that wins that Sunday. (A tie, should one occur, is **not** a win.)
7. **Selections are to be emailed to Jerry Brodsky at jerry123149@roadrunner.com by noon each Friday with the subject line "BJ Football Pool Week 1" (subsequent weeks use the appropriate week number).** If for some reason you are unable to email Jerry, you can leave a message for him at 216-291-4164 but email is best to avoid any misinterpretations of your selection. Feel free to run a test email for a reply to assure you the system is operating properly. Please, no exceptions to the Friday noon deadline.

When you win:

This is a 50/50 pool. The Mens Club and the top three winners will split the pool in the following manner:

First place winner receives 30% of the total pool
Second place winner receives 15% of the total pool
Third place winner receives 5% of the total pool

Reminders:

1. All entries **must** be submitted each week by Friday at noon before Sunday's games. Failure to do so may be considered a losing selection. Do not select a Monday or Thursday game as only Sunday games are being used for this pool.
2. Weekly email reminders will be sent to entrants to request their picks for the week but a failure of the Mens Club to remind you to send your entry is **not** an excuse to forget to send it in!
3. Email notices with results will be sent to all who enter.
4. Decisions of the judges (Jerry and Vic Amster in consultation with the co-presidents of Mens Club, Rick Martin and Aaron Canowitz) is final for any unforeseen controversy.
5. Questions? Email or call Jerry.
